COACH MANUFACTURERS AND CUSTOM CONVERTERS SHOWCASE

FMCA's motor coaching families and commercial members have enjoyed a mutually beneficial relationship since 1963, when Crown Coach Corporation was issued the first commercial membership number. Of course, many more companies joined FMCA through the years, all striving to meet the changing needs of a growing force of motorhomers.

Today a vast array of FMCA commercial members are producing bus shells; bus conversions; and type A, B, and C motorhomes. To acquaint FMCAers with these companies, *Family Motor Coaching* recently asked the companies to provide updated information about their products and services. Information from those that responded follows.

329 Parkdale Road | St. Andrews, MB | Canada R1A 3N9

(888) 498-8267 | (204) 338-9303 | www.greatwestvans.com

BRANDS/MODELS: Type B – Diesel: Legend. Diesel or gasoline: Classic, Titan.

NEW FOR 2008: The Sprinter Legend was completely redesigned to accommodate the larger Sprinter van chassis, which was introduced in the fall of 2007. The new van now offers 6 foot 3 inches of interior standing height. The Sprinter Legend is powered by a Mercedes-Benz 6-cylinder, 3.0-liter turbo-diesel engine. The two-zone floor plan concept from previous models was retained with both front seats able to swivel to create a dinette up front for separate dining and sleeping areas. The tri-fold sofa makes into a full-size bed at the touch of a button. It is also the only sofa that can slide forward to make a large rear storage area where bulkier items such as bicycles, a power scooter, golf clubs, or a barbecue grill can be stored while traveling. The galley was completely redesigned with the refrigerator and microwave-convection oven relocated across the aisle, leaving room under the counter for ample storage, a clever tip-out garbage can, and a built-in coffeemaker. The Corian countertop features a pull-out faucet, and the sink and stove are recessed to create additional counter space. Other new features

include a sliding screen door, a bathroom skylight, and a running board storage compartment.

NON-SLIDEOUT FLOOR PLANS: Winnebago Access (22B, 24V, 29T), Itasca Impulse (24V, 29T), Itasca Navion iQ (24CL).

NEW FOR 2009: Type As: Winnebago Vista and Itasca Sunstar have introduced the 26P floor plan, which has two slideout rooms, a fully equipped angled galley, a spacious bedroom with a large wardrobe, and a private bathroom. The Winnebago Sightseer and Itasca Sunova feature the new side-aisle 31E, with a 37-inch TV located mid-coach. The Winnebago Adventurer is all-new for 2009 with four floor plans ranging from 32 to

38 feet in length. The double-slideout 32H has a large full-wall slideout that extends the lounge, galley, and bedroom, while the triple-slideout 35A features a galley with a pullout table, plenty of counter space, and a storage cabinet over the sink. The Itasca Suncruiser also is redesigned for 2009. The 32H has the same features found in the Adventurer. The 35P features a full-wall driver's-side slideout, along with dinette and rear bed slideouts. The double-slideout 38T features the galley up front with the living area mid-coach, and a second lavatory in the bedroom. The Winnebago Destination and Itasca Latitude have updated 37G and 39W floor plans, which include a new steering wheel remote for the in-dash radio (Freightliner only), enhanced TrueAir Residential central air conditioning, new front end styling, and Corian solid-surface countertops. The Winnebago Journey and Itasca Meridian have added the 34Y floor plan, featuring a full-wall streetside slideout. Notable upgrades to the Winnebago Tour and Itasca Ellipse include high-definition TVs, a new exterior entertainment center, an improved home theater system, a GPgo GPS system that you can take with you in your towed vehicle, a larger GVWR Maxum chassis, and new exterior paint designs and colors. The Winnebago Vectra and Itasca Horizon add the triple-slideout 40WD, which includes dual sofas up front, a U-shaped dinette, a mid-coach 37-inch high-definition LCD TV, a roomy walk-through bathroom, and side-aisle access to a king-size bed. **Type Bs:** The new ERA is built on an 8,550-pound GVWR Dodge Sprinter chassis with a fuel-efficient 3-liter, six-cylinder turbo-diesel engine. It has a 60-inch-by-80-inch sofa bed in the rear, as well as a fully equipped galley and bathroom. Up front, two companion chairs make for a prime seating area when the movable pedestal table is put in place. **Type Cs:** The new Winnebago View 24P includes bunk beds and a sleeper-sofa with a quick-inflate air mattress. The Itasca Navion iQ features two floor plans; the 24CL has a dinette and large panoramic rear window, while the 24DL features a queen-size bed that extends with the rear slideout. The Winnebago Aspect and Itasca Cambria double-slideout 28B has a U-shaped dinette with a rear queen-size bed. The triple-slideout 30C features opposing slideouts in the living area. The 31C floor plan in the Winnebago Outlook and Itasca Spirit has been modified to include a bed in the rear slideout as well as a large wardrobe and chest of drawers. The Winnebago Access double-slideout 31J features optional DVD players with 8.5-inch LCD monitors for each bunk. The 31J has a queen-size bed in the rear as well as a dinette and sofa bed in front.
