

FMCA FLASHBACK

A look at the association and the RV lifestyle through the years, as portrayed in past issues of *Family Motor Coaching*.

MAY 1966

The 86-pound Onan 105PC generator produced 1,500 watts and was touted as "honest-to-goodness "take-along" power."

MAY 1973

Guy K. and Liz Robinson of Gallatin, Tennessee, received member number F10000 and a personal welcome from FMCA president Harry Palmer, L481, and his wife, Fanny.

Florida RV lots were two of the prizes awarded at FMCA's 10th annual convention, "Jubilee '73," in Du Quoin, Illinois.

MAY 1979

A written and pictorial account recalled FMCA's fourth annual winter convention in Del Mar, California, March 6-8, 1979.
