Family RVing magazine, available in print and digital editions and a website version. This colorful magazine is packed with RV tips, member profiles, tech articles, travel features, DIY projects, product updates, and much more. Check the classified and display advertisements to learn what's new in the RV marketplace.

Family RVing's digital edition is available to readers about one week before the paper version lands in mailboxes — a great way to get a sneak peek. Members and subscribers can download a PDF copy of the magazine to read any time, even when no internet connection is available. Archived digital issues beginning with the January 2013 edition are available as well, and the website contains archived magazine content dating back to 2002. So, you can dig around in a virtual library of RV topics anytime, online.

RV education. FMCA enables members to participate in important RV-related education programs. The association may contribute toward the expense of learning opportunities to reduce out-of-pocket costs to members.

The **FMCA Academy** hosts the “RV Basics” workshop just prior to FMCA international conventions. These sessions cover topics such as safe driving, RV weight and tire safety, fire and life safety, and more and are designed for new RV owners and others who would like a refresher. Expert, professional presenters conduct the courses, which allow participants to learn in a more focused environment and then participate in all of the fun and other educational seminars offered during the conventions.

FMCA University provides access to decades of RV know-how all in one convenient location — FMCA.com/fmcauniversity.

FMCA Forums. What better way to learn than from someone who's been RVing for years? Join in a technical discussion online and gather tips and guidance from fellow members who've been there, done that. See community.fmca.com. Peruse and participate, if you wish, in discussion threads pertaining to RV technical and lifestyle topics, FMCA, travel, and more.

WE'VE GOT CONNECTIONS

It's a big RV community out there, full of friends you have not yet met. Stay in touch with the FMCA national office and with fellow members! CONNECT WITH . . .

FMCA chapters. The association recognizes nearly 400 chapters across the United States and in Canada. Many of these groups encompass specific or general geographic regions. Meet fellow members in your hometown, state, or province. Other chapters are focused on ownership of a particular brand or model of RV. And still other chapters are based upon some common interest, such as music, amateur radio communication, sports, or coach conversions.

Check the full list of FMCA chapters at FMCA.com/ChapterSearch, where you can search for a chapter according to your location or interest. The list also is published in the January and August issues of the magazine. You're also welcome to start a new chapter. FMCA's Chapter Services staff at the national office can provide details.

WE’VE GOT INSURANCE BENEFITS

FMCASSIST MEDICAL EMERGENCY AND TRAVEL ASSISTANCE PROGRAM

FMCAssist Medical Emergency and Travel Assistance Program coverage is available to family, life, and associate members worldwide as long as you are more than 100 miles from home. Travel can be by recreation vehicle, car, plane, ship, or motorcycle. Full-time RVers are always considered to be 100 miles from home. Some exclusions and limitation amounts pertain to this benefit.

This coverage is provided by Seven Corners and is underwritten by Certain Underwriters at Lloyd’s, London.

You are automatically covered by this program as an FMCA member as long as your dues remain current.

All of these benefits must be arranged by Seven Corners in order to be covered. If you have a medical emergency, dial 9-1-1; consult with a physician; then, call Seven Corners in advance if you need to use these services: (877) 202-4176. The collect (worldwide) number is (317) 582-2619.

1. EMERGENCY MEDICAL EVACUATION/REPATRIATION

The plan will pay covered expenses incurred if any covered injury or illness that commences during the period of coverage results in the medically necessary emergency medical evacuation or repatriation (i.e., the member's medical condition warrants immediate transportation from the medical facility where he or she is located to the nearest medical facility that is capable of furnishing the required level and type of care for the applicable illness or injury as determined by the attending physician in consultation with the Seven Corners medical director).

Maximum benefit amount: \$500,000.

2. REPATRIATION

If while traveling in his/her recreation vehicle an eligible person, who is not hospitalized, is released from the hospital or otherwise able to return home, is unable to continue the trip in the recreation vehicle, as a driver or passenger, due to an injury or illness that results in medically imposed restrictions as certified by the local attending physician, the plan will pay covered expenses incurred up to the maximum stated in the Schedule of Benefits to return the eligible person, his/her spouse, and family members and dependents who are traveling with the eligible FMCA member to their permanent primary residence.

Alternatively, the eligible person can be returned to another location, chosen by the eligible person, provided the cost does not exceed the cost of returning to the permanent primary residence.

All transportation arrangements must be by the most direct and economical route taking into consideration the eligible person's medical condition. This benefit must be approved and arranged by Seven Corners.

Maximum benefit amount: \$500,000.

3. EMERGENCY MEDICAL REUNION

When emergency medical evacuation or repatriation is ordered and the attending physician recommends that a family member travel with the member, Seven Corners will provide transportation for one individual of the member's choice to be at their side while they are hospitalized and then accompany them during their return to their permanent primary residence. Costs incurred for transportation and lodging are covered by the insurance policy. Approval and coordination of this benefit must be provided by the Seven Corners medical director in consultation

with the attending physician to be considered a covered expense.

Maximum benefit amount: \$50,000.

4. RETURN OF MORTAL REMAINS

This sensitive and valuable service relieves the stress and confusion for families when transporting mortal remains across a country. Laws and regulations can differ, and Seven Corners will manage all logistics involved. The insurer will pay expenses incurred for preparation and return of a covered person's body to his or her permanent primary residence if he or she dies. Approval and coordination of this benefit must be provided by Seven Corners to be considered a covered expense.

Maximum benefit amount: \$50,000.

5. RETURN OF DEPENDENTS

Should the member be traveling alone with dependent(s) and become hospitalized and unable to take care of the dependent(s) and the dependent(s) is left unattended, the plan will arrange and pay for a one-way economy fare to the one location stipulated by the dependent's legal guardian (including the cost of an attendant/escort, if necessary to insure the safety and welfare of dependents under the age of 19). Approval and coordination of this benefit must be provided by Seven Corners to be considered a covered expense.

Maximum benefit amount: \$50,000.

6. VEHICLE RETURN (LIMITED TO TRIPS IN NORTH AMERICA ONLY)

Should the eligible person be traveling in his/her recreation vehicle, Seven Corners will arrange and pay to have a designated service return the recreation vehicle to the member's permanent primary residence provided:

- 1) The eligible person who is not hospitalized, is released from the hospital, or otherwise able to return home is unable to drive his/her recreation vehicle due to a medical condition as documented by the attending physician and no one in the eligible person's traveling party is capable of driving, or proficient and competent to drive, the eligible person's recreation vehicle;

OR

- 2) The eligible person who is not hospitalized, is released from the hospital, or otherwise able to return home, is unable to continue the trip in the

recreation vehicle, as a driver or passenger, due to an injury or illness that results in medically imposed restrictions as certified by the local attending physician.

The recreation vehicle must be in good condition and capable of being safely driven on the highway in compliance with local laws. No vehicle age limit exists, but Seven Corners reserves the right to determine whether the RV can be transported safely.

The insurance plan will also cover the return of any automobile, trailer, or travel trailer that is legally hitched to the recreation vehicle at the time of the onset of the medical condition, to the destination of the pulling vehicle. The member will be responsible for any costs incurred during the return of the automobile, trailer, or travel trailer to maintain the safe operation of the automobile, trailer, or travel trailer.

Alternatively, the member may choose to have their automobile, trailer, or travel trailer returned by a friend or family member. In such instance, and provided the return has been approved by Seven Corners and the automobile, trailer, or travel trailer is returned directly and expediently to the member's permanent primary residence within the United States, Mexico, or Canada, Seven Corners will arrange and pay for transportation of that person to the location of the automobile, trailer, or travel trailer, and will also reimburse the member for gas and tolls during the return. In addition, the plan will provide a \$100 per day benefit, up to a max of five (5) days, for incidental expenses while driving. In no event shall the total expenses of a recreation vehicle return exceed \$5,000 for all expenses associated with the recreation vehicle return.

Alternatively, the RV can be returned to another location chosen by the member, provided the cost does not exceed the cost of returning the recreation vehicle to the permanent primary residence.

Seven Corners must arrange and approve the recreation vehicle return. If the member chooses to have a friend or family member perform the RV return, Seven Corners will not pay more than what it would have cost to have them arrange the recreation vehicle return.

Maximum benefit amount: \$5,000.

7. PET RETURN

Should the member be traveling with his/her pet and become unable to care for it due to a medical emergency, Seven Corners will arrange for the return of the insured's pet to their domicile. This benefit is limited to cats or dogs. The pet must have current/up-to-date vaccinations as required by law. The member is required to pay for or supply a proper carrier for the pet.

Maximum benefit amount: \$1,000.

8. PRESCRIPTION MEDICATION AND EYEGLASSES REPLACEMENT

If the member misplaces a medical prescription or damages eyeglasses or contact lenses while away from home, Seven Corners will arrange and pay to deliver the replacement prescription or glasses (lenses included) to the member's current location. Only the cost of shipping is covered. The cost of obtaining the prescription and/or glasses is the insured's responsibility.

Maximum benefit amount: \$500.

FMCA INTERNATIONAL TRAVEL INSURANCE

If you travel outside your home country, your domestic insurance may not cover you if you become sick or injured. If you are a U.S. citizen with Medicare, you should know that Medicare does not cover you outside the United States, except in very limited situations.

The optional **FMCA International Travel Insurance** plan covers you anywhere in the world, as long as you are traveling outside your home country (special rates apply for hazardous activities). By purchasing this insurance, you deal with an organization familiar with handling international claim payments and translation services. That way, you can concentrate on getting well.

Unexpected recurrence of a pre-existing condition is covered up to certain preset amounts for U.S. citizens traveling outside the United States. A pre-existing condition is defined as any medical condition, injury, illness,

disease, mental illness, or mental nervous disorder that existed with reasonable medical certainty within the six months prior to the effective date of this insurance, regardless of whether the condition manifested, was symptomatic, known, diagnosed, treated, or disclosed.

The plan is underwritten by Certain Underwriters at Lloyd's, London. For a complete list of benefits, a free quote, and more information, contact Seven Corners at (877) 202-4176 and (317) 582-2619 or go to FMCA.com/benefits.

The FMCA Health Plan is fully insured by New Era Insurance and underwritten by Philadelphia Life Insurance. To obtain a quote based on your individual needs and circumstances, visit www.FMCAHealthPlan.com or call 888-337-1705.

Use your FMCA membership to get a deal when placing a classified ad in *Family RVing* magazine. RVs, RV lots, RV accessories, and related items can be found in the Classifieds section of the magazine and at FMCA.com. Family, family associate, and life members of FMCA are entitled to 20 free words per calendar year in one issue in Classifieds.

Classified ads in the magazine also appear on FMCA.com and run the same length of time as your print ad.

This benefit is worth \$12 to family members, as classified ads with standard run-on copy normally cost 60 cents per word for noncommercial advertisers (minimum of 10 words).

Family members also may design an "enhanced text" classified advertisement for inclusion in the Classifieds section. This type of ad includes bold type, centered lines, and uppercase or lowercase letters. The cost is \$8.10 per line of type (maximum 30 spaces per line) for noncommercial advertisers. Enhanced-text ads are also eligible for the member discount.

The rate for commercial advertisers is \$1.25 per word for standard run-on copy and \$17.85 per line for enhanced-text classified copy. Commercial advertisers must include the company name in their ad.

New: Add a black-and-white photo or logo to your ad for \$75; color, \$100.

To submit an ad for Classifieds, use the mail-in Classifieds Ad Form that appears in that section of the magazine, or provide the equivalent information. By email, send ads to magazineclassifieds@fmca.com. Before preparing your ad, please read all instructions included in "Family RVing Classifieds Ad Rates And Procedures," located in the magazine. Classified ads must be received in writing; ads are NOT accepted over the telephone.

TRAVEL SERVICES

FMCA CONNECT-ON-THE-GO MOBILE BROADBAND

FMCA has negotiated a special member-only **Verizon Mobile Broadband Plan** for \$49.99 per month (plus taxes and fees) — and a mobile hotspot for \$.01 — when you sign up for a two-year agreement.

Your agreement with Verizon includes 25GB of high-speed data each month. Use of data in excess of the 25GB will result in slower data speeds for the remainder of the billing period.

You must have FMCA dues paid in full for the two-year contract period at the start of the service. For details and to sign up, visit the FMCA website portal at FMCA.com/benefits.

FMCA TECH CONNECT+ BENEFIT PACKAGE

With technology playing a key role in the enjoyment of RV travel today, FMCA has introduced the **Tech Connect+ benefit package**, designed to bring travel-friendly technology offers to FMCA members. For just \$49.99 per month, members receive a mobile data plan plus access to technology-related discounts.

The month-to-month, no-contract Tech Connect+ benefit package provides members a Sprint mobile hotspot with unlimited 3G-4G LTE service. The package also comes with 300MB of roaming coverage per month. In addition to the \$49.99 monthly fee, members pay a one-time rental fee of \$39.99 for the hotspot device. Only FMCA members in good standing, with dues paid for a year or more, are eligible for the package.

FMCA also is negotiating for other tech-friendly offers to bundle with the Tech Connect+ benefit package. Members who sign up for Tech Connect+ will be notified via email as new discounts become available.

For information about Tech Connect+, visit FMCA.com/benefits or call (800) 543-3622.

FMCA MAIL FORWARDING

FMCA's mail forwarding partner, **Your Best Address**, is located in Sioux Falls, South Dakota, and has been providing mail forwarding for people on the go since 2005. It offers personal service at a low monthly rate. Users choose a weekly, bimonthly, or monthly shipping schedule, or create their own custom schedule. You don't have to use a full year subscription, either; seasonal subscriptions in three-month increments are available.

Your Best Address gives subscribers many personal services. They send email notifications of outgoing mail; use full tracking via the major carriers; and can shred junk mail for you. Personal support is always available via phone, email, live chat, and an Android app. Because Your Best Address is in South Dakota, company reps also can assist FMCA members in gaining the benefits of South Dakota residency.

FMCA members who sign up for a year get 14 months for the price of 12 — only \$10.29 per month. Your Best Address also offers "Anytime Mail" — a digital option

that allows you to see and manage your mail via computer and smartphone. Your Best Address also offers to handle FMCA members' first vehicle registration at no cost.

For more information, contact Your Best Address at (866) 217-5606, or visit FMCA.com/benefits.

FMCA TOUR CONNECTION

FMCA Tour Connection, powered by Fantasy RV Tours, offers members the opportunity to embark on members-only RV caravans and rallies at discounted rates. In addition, members receive a courtesy discount on other **Fantasy RV Tours and Rallies**.

Fantasy hosts exciting members-only tours to some of the most sought-after vacation destinations. Each tour is professionally planned and includes many organized activities and events. Guests simply show up, take in the sights, and enjoy the experience, all in the company of fellow RVers.

For 2019, caravans are offered to exciting destinations such as Alaska, select Canadian provinces, and New York City. Other offerings include Kentucky Derby, Calgary Stampede, Baja Whale Watching and Polar Bear Migration. Fantasy RV also offers overseas RV vacations in Scandinavia, South Africa, Australia, and New Zealand.

For an entire list of rallies and caravans available to FMCA members, visit www.fantasyrvtours.com/fmca or call Fantasy RV at (855) 385-3622.

STOPPIN' SPOTS FELLOWSHIP AND ASSISTANCE

Stoppin' Spots is a list of generous FMCA members who offer help and hospitality to fellow members who are on the road in their areas. The list of participants is available at <https://www.fmca.com/member-help-search>. If you do not have access to the internet and would like a PDF copy via email or a print copy of this information via postal mail, please contact magazine@fmca.com; (513) 474-3622 or (800) 543-3622.

Stop Over Spot lists members who welcome other FMCAers for a 24-hour emergency stay at their home.

Come Visit indicates that FMCA members are welcome to visit the volunteering member's home for a 24-hour friendship stay, unless invited by the host member to stay longer.

Mechanic's Helper lists members who are available to assist in finding quality local RV repair service.

Pinch Hit Driver volunteers help fellow FMCA members who need someone to transport their RV to a different place (at the RV owner's expense).

Any FMCA member who would like to be included on the Stoppin' Spots list in one or more categories should indicate this via the My Profile page on the Membership tab at FMCA.com, or contact the Member Services Department.

CAMPGROUND DISCOUNTS

Many campgrounds that are commercial members of FMCA offer discounts to FMCA family members. A listing of these commercial member campgrounds appears in the "RV Marketplace," published in the January issue of *Family RVing* magazine and online at FMCARVMarketplace.com. FMCA members should mention their FMCA affiliation when making reservations and present their FMCA membership card upon check-in when requesting the FMCA discount.

PASSPORT AMERICA DISCOUNT

FMCA maintains a partnership with **Passport America**, a 50 percent discount camping club. Passport America cardholders can stay at nearly 1,900 campgrounds across the United States, Canada, and Mexico at 50 percent off the regular rate.

Passport America members receive an International Camping Directory, a personalized travel card, online access to *RV America* magazine, and a monthly e-newsletter. A user-friendly app is also available to download.

Present your Passport America card to receive half off the regular rate on campsites in participating campgrounds listed in the International Camping Directory.

Passport America prints a new directory each January. Updates or changes to the campground list are provided throughout the year in *RV America* magazine and the monthly e-newsletter. Twenty-four-hour access to all campground information and updates is also available at PassportAmerica.com.

The directory also indicates each campground's individual guidelines (reservation requirements, number of nights that discounts are extended, etc.). These vary, because Passport America member RV parks are individually owned and operated. Access to Passport America campgrounds is on a space-available basis.

You may use your Passport America card as often as you like, for the term of your membership. Look for the Passport America ad in issues of *Family RVing* magazine, as there is a discount for new Passport America members. Visit PassportAmerica.com or call (800) 681-6810 for details.

Many FMCA commercial members offer discounts on their products and services to family members who present their FMCA membership cards. The RV Marketplace, which is published in the January issue of *Family RVing* magazine and online at FMCA.com, lists FMCA commercial members and their locations. To receive the FMCA discounts offered by commercial members in these listings, family members must present their FMCA membership card at the time of service or purchase.

FMCA participates in **Costco Wholesale's National Membership Program**. FMCA members who join the membership-only warehouse club as a new member can receive coupons for free products and other savings valued at more than \$50.

In addition, Costco shoppers save money on thousands of brand-name items daily, from fresh foods and health and beauty items to clothing and electronics.

Purchase a Costco Membership Activation Certificate to join Costco as a new member and enjoy everything Costco has to offer. Visit www.FMCA.com/benefits.

After completing the online form, you will receive an email that includes your Costco Membership Activation Certificate. Take it to your local Costco to join. This program is valid at U.S.-based Costco warehouses only.

FMCA members who sign up for a new **Sam's Club** or **Sam's Plus Membership** can receive a \$10 gift card. Benefits of a Sam's Club membership include club pickup, scan & go, and instant savings. Sam's Plus members get free shipping and more.

To receive your gift card, print the voucher or show the offer on your mobile device to an associate at the Member Services desk at your local Sam's Club.

Visit FMCA.com/benefits to find out more.

FMCA members can save up to 80 percent on office and school supplies through the **Office Depot/OfficeMax national discount program**. Save on pens, paper, ink, toner, stamps/daters, computers, webcams, furniture, and plenty more.

Get up to 80 percent off preferred products found on the Best Value List; 15 percent off retail website pricing for 3,000 commonly used products; and over 93,000 items discounted below retail price.

Shop online or in any local Office Depot/OfficeMax store. Online orders get next-day delivery and free shipping on orders over \$50.

For more information, visit FMCA.com/benefits. There, you can print your store purchasing card, request the Best Value List, and access your customized portal for online shopping.

This program applies only to stores and online orders in the United States.

FMCA has partnered with **Staples** to offer exclusive discounted pricing to FMCA members via the FMCA Supply Program. The program offers access to Staples Advantage — the company's business-class website with exclusive business-class specials and discounts. Members also get direct-to-door, one-business-day delivery with a \$35 minimum order, and special pricing in retail stores.

To take advantage of the FMCA discount, members must preregister their credit card online. Once you register your personal credit card, you'll receive an email in 24 to 48 hours letting you know your card is ready to use. **To receive savings, be sure to pay for your project with your preregistered credit card.**

To set up your account and register your credit card, visit FMCA.com/benefits.

With the **RV PetSafety monitor by Nimble Wireless**, you can finally run your errands worry-free or relax and enjoy that long-overdue date night. Monitor the temperature of your RV in real time. Set the temperature at which you want to be alerted, ensuring you always get back to your home on wheels before the temperature reaches alarming levels.

FMCA members receive \$40 off the cost of the device for a month-to-month plan and \$60 off the cost of the device if you sign up for the annual plan.

Visit FMCA.com/benefits or call 800-543-3622 for more information.

United Parcel Service (UPS) serves more than 200 countries and territories, reaching 90 percent of the

world's population. Whether you need a shipment to arrive the same day, the next day, or in a few days, UPS will get your package there on time — guaranteed.

UPS offers discounts to FMCA family and commercial members on Domestic Air, Domestic Ground, and International Export and Import services. The discount is calculated based on total weekly UPS charges, so the more you use UPS, the more you save. Discounts range up to 28 percent on UPS Next Day Air and Worldwide Express services, for example, and up to 21 percent on UPS 2nd Day Air.

For complete details, or to sign up, visit www.savewithups.com/fmca. Or, call (800) 325-7000 for more information.

WE'RE A FAMILY!

TRY OUR CAMPGROUND

FMCA members are invited to make use of **FMCA's member-only campground** at 3590 Round Bottom Road in Cincinnati. If space is available, Family and Commercial members may stay up to two nights per month free of charge and up to five additional nights per month at a cost of \$20 per night.

Stays longer than seven days may also be available but must be requested and approved by the Executive Director prior to your extended stay.

Reservations are now required. Space is no longer available on a first-come basis. To book your online reservation, visit FMCA.com/stay-fmca.

Chapters may schedule a two-day rally, free of charge, at the campground once every two years (maximum 18 RVs). After the two free nights, rally participants will be charged \$20 per night. For information, please contact the FMCA national office at (513) 474-3622 or (800) 543-3622.

Please note that the FMCA national office at 8291 Clough Pike does not have space to accommodate RVs. FMCA welcomes member visits, but please arrive at the Clough Pike location via a passenger vehicle.

KNOW YOUR RIGHTS

FMCA assists members who face local parking rights restrictions and other regulations affecting the use of their RVs through its Governmental and Legislative Affairs Committee. In addition, **FMCA's Parking**

Rights Manual & Guide summarizes significant parking rights cases. It can help members understand their legal rights and the rights of legislative bodies that place restrictions on RV parking.

The Parking Rights Manual & Guide is available to members at FMCA.com, or from the Member Services Department.

FMCA MEMBERSHIP PLATES

Every FMCA member receives a set of oval plates with their membership number on them. You are encouraged to display these in a prominent place on your RV to increase public awareness of FMCA. It's a great way to find other members as you travel, meet new friends, and for you to show your pride in FMCA. An individual whose RV bears the FMCA membership plates is announcing that he or she has agreed to abide by the **FMCA Code Of Ethics** (below).

KEY RETURN PROGRAM

Ever lose your RV keys? Worry less if they are kept on a ring with a key tag from FMCA. These have the official

FMCA logo and a key return provision on the reverse. If someone finds the keys and places them in the mail to the FMCA national office (no envelope required), FMCA will pay the postage for their return.

Members should report any loss to the FMCA national office and describe the keys so they can be identified if and when they are returned. If found, FMCA will mail them back to you at no charge.

For ordering information, contact the FMCA Member Services Department at (800) 543-3622.

GET REWARDED FOR RECRUITING NEW MEMBERS

Receive a \$10 coupon for each new member you recruit by putting your name and membership number on a new member's enrollment form. FMCA Enrollment Forms are found inside each issue of *Family RVing*. Coupons can be applied toward FMCA membership renewal, an FMCA Store purchase, an FMCA business card order, or when registering for an FMCA international convention or area rally. There is no limit to the number of coupons that can be used. Coupons are good for two years after they have been awarded. Details are spelled out on the face of the coupons.

➔ FMCA CODE OF ETHICS

Every member of FMCA, as defined in the Bylaws, accepts and agrees that a condition of said membership is the obligation to abide by the FMCA Member Code of Ethics and the other rules and standards of this organization, which represent all our endeavors to be good neighbors, careful and responsible recreational vehicle owners and operators, and good citizens of our communities. Consistent adherence to the FMCA Member Code of Ethics is desired and required of every member, in order that the actions of all members may reflect favorably upon each other and upon FMCA; and thereby earn the confidence and respect of the public and its acceptance of FMCA and all its members.

FMCA Member Personal Responsibilities

- Respect the rights and privacy of other members and recreational vehicle owners on and off the highways.
- Comply with all federal, state, and local laws and regulations governing the ownership and use of recreational vehicles.
- Obtain permission to remain overnight, in a shopping center parking lot or on other private property, from the owner or responsible party of the property.
- Comply with all rules of national, state, municipal, and private facilities in which a member stays.
- Last but not least, members should not lose sight of the fact that there is a universal guideline known as the Golden Rule that directs all proper endeavors.

Therefore, recognizing that the public will judge all recreational vehicle owners by their individual actions, all members of FMCA, as well as its employed personnel, are enjoined to honor and comply with the FMCA Member Code of Ethics.

Once you have recruited 10 member families, you'll receive a free lapel pin, and then more pins at higher levels of members. At the 100-member level, you'll receive a free set of his-and-hers wristwatches.

ANTITHEFT DECAL PROGRAM

New FMCA members are issued an antitheft decal to attach to their RVs. This decal serves as a deterrent to anyone who is considering stealing or vandalizing the RV of an FMCA member by stating that a reward will be paid for information leading to the arrest and conviction of persons burglarizing a member's RV.

The antitheft decal program is sponsored by FMCA. Additional decals are available from the FMCA national office.

FMCA MEMBER BUSINESS CARDS

These specially designed cards have your contact information on them and identify you as an FMCA member. They're great to share with people you meet as you travel, so you can keep in touch. The cards are available in a standard black and red design; the cost is \$25 for 200 cards; \$30 for 500; and \$35 for 1,000 (includes shipping). They are not intended for commercial use. See ads in *Family RVing* magazine for details, or visit FMCA.com. To place an order, call the national office at (800) 543-3622 or (513) 474-3622, or order online. ●

JOINING A CHAPTER!

The purpose of FMCA is to promote the RV lifestyle and friendships among RV owners. FMCA chapters give members an opportunity to use their RVs and meet others who also enjoy RV travel. Each chapter has its own “personality,” and many chapters bring RV owners together by geographic location or specific interest (RV brand, hobby, etc.). But the common thread among all FMCA chapters is the emphasis on having fun and sharing experiences.

Chapter rallies may take place on weekends or during the week, at nearby locations or interesting sites farther away. Sometimes they are organized to coincide with a specific event, activity, or attraction. Others are informal occasions for members to enjoy their time together.

BENEFITS OF CHAPTER MEMBERSHIP

- *New friends*
- *Fun*
- *RV modification and maintenance tips*
- *Visits to interesting places*
- *Exchange of ideas*
- *Safety tips*

➔ THE FOLLOWING PAGES ARE TO ASSIST YOU IN BECOMING ACQUAINTED WITH AN FMCA CHAPTER.

The accompanying map indicates which of FMCA's nine geographical areas encompasses your state or province of residence. Immediately following are breakdowns of each of the geographical areas, in addition to the International Area (consisting of chapters formed by some special interest as opposed to geographical boundaries), and the name of the national area vice president for each. (Note: Area representatives represent all FMCA members within a given area, whether affiliated with a chapter or not.) A state-by-state/province-by-province list of chapters is given next. A member who lives in New Jersey, for instance, would check the names of the chapters listed under New Jersey. Next he or she would consult the alphabetical listing of all FMCA chapters that follows. There you will find listed the contact person and, in some cases, the website, for all FMCA chapters. Since International Area chapters are targeted to a special interest rather than a geographical area, these chapters are included in the alphabetical listing only. In some instances, the special interests of these chapters have been designated.

PLEASE NOTE: The information within this directory is to be used only for chapter-related inquiries. Any other use of this list is expressly prohibited.

➔ CHAPTER LISTING

This state-by-state and province-by-province listing of chapters is being published as an aid to FMCA members seeking a chapter that includes the members' home state or province in its scope. Individual chapter charters include scopes that are sometimes general in nature, such as "Eastern United States." An individual chapter, therefore, may interpret its scope differently from the designations included in this listing. International Area (non-geography-based) chapters are listed on the prior page.

This information is accurate as of October 5, 2018

➔ STOPPIN' SPOTS

Members listed as “Stoppin’ Spots” participants within the Membership Directory at FMCA.com — <https://www.fmca.com/member-help-search> — have volunteered to aid fellow members in their travels. Four categories of services are included, and results can be narrowed down by selecting certain states or provinces, cities, or zip/postal codes. If you do not have access to the internet and would like a PDF copy via email or a print copy of this information via postal mail, please contact magazine@fmca.com; (513) 474-3622 or (800) 543-3622.

STOP OVER SPOT

FMCA members are welcome to stop over at the participating member’s home for a 24-hour emergency stay.

COME VISIT

FMCA members are welcome to visit these members on a friendship basis for a 24-hour period, unless the host member invites them to stay longer. Remember, if these members didn’t want you to stop, they wouldn’t have offered this friendly gesture.

MECHANIC’S HELPER

These FMCA members are available to advise fellow members whose RVs have broken down on the road or need repairs as to where in that area they can obtain good, knowledgeable RV service.

PINCH HIT DRIVER

Members faced with an emergency and in need of someone to return their RV for them should consider this option. Keep in mind that members who live in either the RV’s current location or its destination may

be of help. Also, please remember to defray any costs incurred by the Pinch Hit Driver.

PLEASE NOTE: The information within this directory is to be used only by FMCA members who are traveling and find that they are in need of one of the services offered. Any other use is expressly prohibited.

VOLUNTEER YOUR ASSISTANCE

Any FMCA member who would like to be included on the “Stoppin’ Spots” list in one or more categories should indicate this via the My Profile page on the Membership tab at FMCA.com, or contact the Member Services Department at the FMCA national office (8291 Clough Pike, Cincinnati, OH 45244; 513-474-3622 or 800-543-3622; email: membership@fmca.com) and ask to be listed as a “Stoppin’ Spots” participant. Remember to keep your profile information updated.

The individuals listed in the “Stop Over Spot,” “Come Visit,” “Mechanic’s Helper,” and “Pinch Hit Driver” compilation have asked that they be included, and any services offered by them are provided by them as individuals and not from FMCA. Any member or volunteer offering, providing, or accepting the services described above does so at his/her own risk. FMCA makes no representations or warranties whatsoever regarding the services provided or those who may provide or request such services. The association cannot attest to the reliability of any such service and accepts no responsibility.

Preserve the privilege of overnight parking. Follow the code and encourage others to, also!

Overnight Parking Etiquette

RVER'S GOOD NEIGHBOR POLICY

Dear Fellow RVers,

The Good Neighbor Policy was created in the early 90s by Escapees RV Club. Since then, it has become the industry standard code of conduct for overnight parking. We hope that the Good Neighbor Policy serves as a reminder that RVers must be respectful of the communities they visit.

Some of the most respected RV consumer clubs have joined Escapees to support your right to park on private businesses' property overnight under the following code of conduct:

Industry-sanctioned Code of Conduct (RVers' Good Neighbor Policy)

1. Stay one night only!
2. Obtain permission from a qualified individual.
3. Obey posted regulations.
4. No awnings, chairs or barbecue grills.
5. Do not use hydraulic jacks on soft surfaces (including asphalt).
6. Always leave an area cleaner than you found it.
7. Purchase gas, food or supplies as a form of thank you, when feasible.
8. Be safe! Always be aware of your surroundings and leave if you feel to unsafe.

If your plans include touring the area, staying for more than one night, or necessitate conduct not within the code, please relocate to a local campground. It's the right thing to do!

Most of the complaints lodged regarding RV parking on business parking lots have to do with aesthetics and perceived abuse of the privilege. There are a variety of competing interests that were balanced to arrive at this industry-sanctioned code of conduct. As you can see, the code of conduct is nothing more than an RVers' "Good Neighbor" policy.

Not following the code has serious consequences and is detrimental to the rights of all RVers. Already, some municipalities have passed ordinances to prohibit parking on private business property overnight.

Please do not take offense to this letter; it is only provided as a reminder that RVers must be perceived as good neighbors or there will be more pressure to institute state, county and local ordinances to prohibit parking on private business property.

We wish you safe and happy travels,

ESCAPEES RV Club®
