

➔ 2019 OFFICER ELECTION

The 2019 election of FMCA National Officers will be held August 14, 2019, at FMCA's 100th International Convention in Minot, North Dakota.

MCA's Nominating Committee has submitted its slate of candidates for national office for the 2019-2021 term.

The members of the committee are Chairman Andy Balogh, F316832; Mandy Canales, F59832; Jamie Erickson, F142560S; Pat Lintner, F126995; and John Traphagen, F20711D.

Following are the resumes submitted by each candidate. Although balloting is restricted to national

directors and national officers, all FMCA members are invited to review the candidates' resumes and to communicate their preferences to their respective national director or area vice president. Doing so will help him or her better serve members on election day. Also, nominations can be made from the floor of the Governing Board meeting; however, committee members ask that this be done only with the prior consent of the proposed nominee.

↓ NATIONAL SENIOR VICE PRESIDENT

**CANDIDATE FOR
NATIONAL SENIOR
VICE PRESIDENT**

PERCY B. BELL, F371754
percybell41@gmail.com

FMCA Experience:

Member of several area and International Chapters. Served as National Treasurer 2013-2017. Served as Treasurer for the Southeast Area (2012) and member of Southeast Area Audit Committee. He has been a member of the National Finance Committee 2012-2013 and 2017 to present. Chairman of National Audit Committee

2019 OFFICER ELECTION

2018-2019. Was an active and vocal member of the management team who spearheaded the membership turn-around in 2013-2017. Volunteered at International Convention in Perry in 2011 (Security) and International Convention in Indianapolis in 2012 (Parking Layout).

Other Experience:

Was a practicing Certified Public Accountant in Florida for more than 40 years. During this time he served a broad spectrum of clients in real estate, construction and the service industries. He also worked with more than 100 non-profit organizations as an outside auditor, financial advisor and tax and management consultant. He has a direct working knowledge of the budgeting process, interpretation of complex financial statements and cash flow analysis for non-profit organizations. He has also worked as the controller of a medium-size heavy construction contractor (2000-2010). He was a founding shareholder and Director of the Bank of Winter Park, a Florida State chartered commercial bank. He served the bank as its Chairman of the Board and CEO (1988-1998).

Education and Training:

He is a graduate of Florida State University (1964) with a Bachelor of Science in Accounting. He did graduate studies at the University of South Florida (1966-1967).

Goals for FMCA and Office:

Continue the program of fiscal responsibility wherein FMCA lives within its means. Annual expenditures must match annual revenue. The primary responsibility of the National Senior Vice President is to provide oversight for the International Conventions. The first obligation is to insure the Convention Committee understands the need for each venue to cover its cost including national office overhead. While we need to have various venues, which provide our membership with a diversity of experiences, they have to attract sufficient attendance to not become a drain on the association's finances. The committee needs to see the changing demands of attendees. Today's typical attendee wants a full-hookup 50-amp camping site, not boondocking in a field. We need to change the way we engage the convention first-time attendees. They are an untapped

source of members who can provide a boost to chapter membership and a pool of experienced people to strengthen our national committees. ●

CANDIDATE FOR NATIONAL SENIOR VICE PRESIDENT

**ELWOOD (JACK)
MAYBERRY, F369343**
emayberry@comcast.net
www.jackmayberryfmca.com

Connie and I joined FMCA 14 years ago and became members of the Desert Roadrunners chapter. After serving in many activities, I was elected to serve as Vice President and President of the chapter, where Connie and I have been the Wagon Masters of several events. We also are members of the Rocky Mountain Monacos, Military Veterans, Elk International, Frost-tee's, Rally in the Pasture, One Hundred Plus, Monaco International, and Overland Trailblazers West chapters.

Currently I am the President for the Rocky Mountain Motorhome Association. I served in the position of the Area Senior Vice President of RMMA for Rambles. I have been trusted to serve as area National Vice President for the last four years. Connie and I have volunteered in many areas of the International Conventions, which allowed us to enjoy meeting our many members. I am presently serving on the Convention Committee. I was active on the Long-Range and Development, Membership/Member Services, and Risk Management Committees in development of long-range plans for the future of our FMCA. In addition, I have managed several RV conventions, Area Rallies, and RV shows during which over 500 members were recruited, and I will work to increase the membership and will continue to help build relationships within and between areas.

Other interest memberships include the Masonic Lodge, Order of the Eastern Star, American Legion, Elks, and Air Force Association. I retired from the United States Air Force and served on active duty with the Air National Guard and Air Force Reserve, retiring after 39 years as a Colonel. I completed Air Command

2019 OFFICER ELECTION

and Staff College and Air War College with the U.S. Air Force. Other experience includes several years in management with the telecommunication industry and management of a restaurant that we owned. My formal education consists of degrees in Business Administration with a master's degree in Telecommunication Management.

My strengths are in leadership and communication. Having participated in the Convention and Membership committees, I have the vision and confidence I can continue the many programs we have implemented under our current leadership. One of my strongest assets is that I am a people person and work well with all levels of the organization, and will get work accomplished using my management and communication skills. I will continue to make FMCA stronger and even more receptive to the needs of the members. I believe we have made great strides in improving communication. Finally, I will work to increase attendance at the International Conventions with improved locations, and increased participation with vendors.

Connie and I have been married for 49 years and with her strong support we will continue to make FMCA strong. We reside in Oro Valley, Arizona. Our love is traveling and visiting family and friends throughout the country during the year. Our passion is for FMCA to continue to grow stronger. Volunteering is fun and I want to make that happen for all.

Summary of Qualifications:

I am serving 2017-2019 as FMCA National Senior Vice President. During my term as Chairman of the Convention Committee, FMCA held two of the most successful International Conventions in the recent past with over 5,500 people in attendance at the 97th FMCA International Convention and over 3,500 people at the 98th FMCA International Convention. I have attended every one of the 10 area rallies, some several times. I have been at all Executive Board Meetings and Governing Board Meetings since I took the oath as National Senior Vice President.

As an Air Force officer, I was a military leader for more than 32 years, making decisions that impacted millions of lives. I utilized my leadership skills in other ways. I served on the church board at both Covenant Presbyterian Church in Monroe, LA, and Hope United Methodist Church in Englewood, CO. I was very active in my real estate career, being on Realtor boards at both local and state levels.

My wife, Claire, and I have been RVing since 2004, have put over 250,000 miles on four different class “A” motor coaches, and have attended almost 175 FMCA and chapter rallies. We joined FMCA in 2005 and have attended 22 FMCA International Conventions. We volunteered at 21 FMCA International Conventions, being Captain or Co-captain for security volunteers at four of those rallies. I have been part of the BAC leadership since 2009. As the FMCA National Director for BAC, I have participated on the FMCA Governing Board since 2014. We hosted 12 BAC rallies, both single location and rolling rallies, from 5 to 80 coaches. I served on the FMCA

2019 OFFICER ELECTION

Long-Range and Development Committee. We are currently in 11 FMCA chapters.

I am experienced in addressing large audiences, getting to the root of issues, and solving problems. My FMCA, military and real estate backgrounds have provided me with the skills for leadership and training to guide this organization.

I look forward to serving another 2 years as your FMCA National Senior Vice President. ●

↓ NATIONAL TREASURER

CANDIDATE FOR NATIONAL TREASURER

JOHN REYNOLDS, F171042

johnreynoldssr

@reynoldsironworks.com

My wife, Jayne, and I joined FMCA on July 1, 1993. After we joined the Penn Coachmen I served as a Regional Vice President, Senior Vice President and President of that Chapter. After that I was elected the Regional VP of the Central Region, the Northern Regional VP and then Senior Vice President of EAMA (Eastern Area Motorhome Association). In 2012 I was successful in being elected National Vice President of FMCA's Eastern Area. In this capacity, I served as President of EAMA. I served as Security Chair for 5 years at the Great Eastern Area Rallies. This included rallies in Harrington, DE; Memphis, TN; and Richmond, VA. I was co-chair of Seminar Monitors at the International Convention in Charlotte, NC. Jayne and I served as Rally Masters for the Great Eastern Area Rally (GEAR) for the last 6 years. For all of these rallies, I developed an income/expenses budget, and with the help of all of our volunteers we were able to make a profit from the rallies. As a National

2019 OFFICER ELECTION

Vice President I have served on the Technical Advisory Committee, the Audit Committee (Chairman for 2 years), Membership/ Member Services Committee (Chairman for 3 years), and presently I am Chairman of the Finance Committee. I helped organize the Ives Runners Chapter within the Eastern Area, and served as the first President until I became Eastern Area VP. Jayne and I belong to seven different chapters at this time.

I graduated from the Williamsport Area High School in 1964. Immediately following high school I attended Thompson Institute in Harrisburg. I then worked at Avco/Lycoming, first in the accounting department and then in the Repair Facility in charge of the accounting department. In 1967 I decided to join my family's business, Reynolds Iron Works Inc. I started as a laborer and worked my way up to become one of the partners in 1987 as President, a position I still hold today as well as Treasurer. One of the major responsibilities as President/Treasurer is to develop an annual spending plan for this company doing between \$10 to \$12 million a year in gross sales. In addition to overseeing the day-to-day operation of the company, I serve as a trustee of the company's pension plan. We employ 51 people at this time. In 2011 I helped form a natural gas company and was elected President and CEO, a position I still hold.

Jayne and I have been married for 53 years. We attend Bethany Lutheran Church in Montoursville, PA. We have 2 children. Our son, John, Jr, is Vice President/ Field Superintendent for Reynolds Iron Works and our daughter, Joy Reynolds McCoy, is a Lycoming County Judge. There are 5 grandchildren. We travel with a silver dapple dachshund named Baby and our new addition, Lady (a red dachshund).

As current National Treasurer, I feel that FMCA at the Executive Board level needs to be run like a business, and with my business experience I believe that I am qualified to serve as your National Treasurer, for another two years. As promised when I ran in 2017, we have produced a totally balanced budget for 2019-2020 with nothing below the line. I would like to continue to put my energy, knowledge, and business experience to promote FMCA at the national level. We still face many challenges and I feel my business experience will continue to be a big plus to help lead FMCA into the future. ●
